## TOOL ROBBERS ARRESTED AND FOUND GUILTY

The most interesting robbery case occurring in Monessen for some time was unearthed last week by the Monongahela detachment of the State Police headed by Corporal A. Karpovich.

Saturday at 11:30 Loyd King of 100 Schoonmaker avenue and Nathan Evans of Allshouse avenue, Monessen, were given a hearing before Justice J. B. White on a charge of larceny, they having been picked up by Corporal Karpovich of the State Police, at the behest of the J. W. Jeffries Coal Co., the plant of which is located along the brick road a short distance below Monessen.

The men were given a hearing before Justice White and both men plead guilty. The evidence disclosed the following facts:

Monday night, March 11th two chests of tools, some loose tools and a quantity of rope disappeared from the scale house of the J. W. Jeffries Cial Co., the theft being discovered Tuesday morning.

The case was reported to the local state police and work was immediately started on the case. Corporal Karpovich by some means got a clue and King was arrested and locked up as was also Evans later.

King drove a huckster wagon for H. Darling of West Newton so naturally the trail led in that direction. The state police followed the trail closely and on their arrival searched the Darling hay loft where all the stolen goods were found intact, the goods being buried deep in the hay and the rope being tied around the chests.

At the hearing it was brought out that King was drunk and phoned two times that night for Evans to accompany him to West Newton. Driving to the Jeffries mine, King forced a way up through the floor and threw the chests down into the bed of the wagon and it was 2 o'clock in the morning when they arrived at West Newton. When the state police arrived there King and Evans had the goods sold but had not delivered them. Corporal Karpovich phoned for a car from here and the property, valued at nearly $175.00 was returned to the owners.

It appears that King has a questionable record about police courts, and this possibly helped lead to his detection.

In default of $500 bail, King was committed to jail at Greensburg. Evans was released on a bail bond of $200.00.

## Will Collect Second Hand Clothing

The Red Cross headquarters at Washington has consented to take charge of the work of collecting second hand and surplus clothing for the Belgian Relief committee. The entire organization in the United States will be turned loose on this work for one week beginning Monday, March 18th. It is not the intention to make this sort of work a regular Red Cross activity, and the workers at the various workrooms will not be called on in a way to interfere with their present activities.

In Monessen, Mrs. John C. Murphy has been appointed as chairman of the committee and will make an announcement to the other members of the committee on Monday, Mar 18.

The Junior membership of the Red Cross society has been called on to assist in this work and can be counted on to respond enthusiastically. It is a kind of work particularly suitable for school children, as they can bring in the clothing to their schools from where it will be sent to the High school building for assembling and packing. Nearly all kinds of second hand clothing except stiff hats and goods containing rubber will be accepted, and arrangements have been made so the goods can be forwarded without repair work.

By special arrangement with the German authorities the ship carrying these articles will be guaranteed safe passage and distribution among the French and Belgians inside the German lines.

## Train Wrecked

A special train carrying 85 men from Allegheny county who had volunteered for special military service, along with volunteers from other Eastern points, left Pittsburgh last Friday night for Kelly Field, Texas, and a report has been received that the train was wrecked at Schall City, Mo. An associated press report last night stated that the only person hurt was a soldier names Charles Hutt of Charleroi. Five coaches left the tracks caused by a defective switch. The soldiers were loaded on another train.

## Listen!

When you come down town this evening call at the E. G. Hays & Co., 573 Donner avenue and see their fine display of Lester Pianos. It will pay you. You are welcome whether you buy or not. 42-2t-fp

## Ralph Bearer Home From Camp Lee

Ralph Bearer, familiarly known as "Cub," is home on a five day furlough from Camp Lee where he is stationed in the quartermasters' department. Mr. Bearer looks fine, feels fine and is ready to set his foot on French soil and look the kaiser in the eye any old day. He gives a good account of the Monessen boys in camp and expects soon to see a great scatterment among them.

Joe Martin, the school teacher soldier, can swing the ax with anybody in camp and while he has had considerable of a promotion Joe is rather modest in accepting the title corporal. It was stated here he had been made a sergeant, but Joe says that while good things can't come too fast, he could hardly expect such high honors to be thrust at him so suddenly. He sends his love to everybody back home. Ralph will be here several days and will visit among his many friends.

## Good Game Played

The local High school basket ball team continued its winning habit by defeating the strong Point Marion High school team at Point Marion by the score of 35-31. This is the first defeat Point Marion has met on their own floor this season. They were confident and determined and it was only after five minutes of extra time that the locals were able to gain the victory.

During the first few minutes of play the Monessen team far outclassed their husky opponents in floor work but were unable to locate the basket. Almost immediately the Point Marion team began playing the fouling game to prevent the clever Monessen forwards from shooting and but for Miller's fine foul shooting their plan to win the game by these tactics might have succeeded.

Monessen played an uphill game from the start. The score at the end of the first quarter was 8-7 in favor of Point Marion and at the end of the half they led the locals 18-15. The third quarter ended 25-25 and at the end of the game the score was tied at 29. Each team now went into the extra period with grim determination and for five minutes the spectators were held spellbound by the fast and exciting play. Gibson's brilliant work in this quarter, when he cleverly eluded the crack Point Marion guard and made two field gouls, won the game for Monessen.

The features of the game were the shooting of Gibson, the foul shooting of Miller, the guarding of Reed and the fight of the whole Monessen team. C. Conn starred for Point Marion.

## Junior Four Minute Speakers

Plans have been announced for the organization of "Junior Four-Minute Men" in every school in the country. According to the Division of Four Minute Men of the Committee on Public Information, bulletins especially prepared for school children will be sent during the third Liberty Loan campaign for distribution by superintendents to all schools in the United States. Addresses will be prepared from the material in these bulletins just as regular four-minute speakers in motion picture horses prepare their own speeches from bulletins supplied by the government.

In each school the children submitting the best speeches are to deliver them in public. According to plans the boy or girl awarded first prize is to get a certificate from the United States government as a Junior Four Minute Man.

## Police Court News

Mike Rideos, a mine, for the River Coal Co., this morning in police court paid a $10.00 fine for being drunk and committing a nuisance Saturday night on Donner avenue at Fourth street.

Ely Wamney of Cleveland, O., was before Burgess Stewart charged with interfering with an officer. It cost him just his forfeit money, $10.00—even.

Mike Finak also dropped a $10.00 forfeit into the borough treasury for fighting near Fifth and Donner. He lives and works in Donora and failed to appear.

John Nahos, operating a pool room and coffee house at 482 Schoonmaker avenue, was pulled for playing pool Sunday morning at 12:25. He put up a $15.00 forfeit but did not appear.

## Flag Raising

—About five hundred people attended a flag raising by the Hungarian society at Seneca street yesterday afternoon. Addresses were made by Alfrd Tanzer, Burgess W. B. Stewart and Frank Bumer. The affair was a very enthusiastic patriotic meeting and continued with a social session in the evening.

## Sister Dead

—Mr. Charles Wilt has received word of the death of his sister, Mrs. Weller Matthews of Latrobe, whose illness covered a period of seven months. This is the first break in the Wilt family of eleven children. Mr. Wilt will attend the funeral which will occur Tuesday afternoon. Interment will be made at Ligonier.

## FLOUR REPORTS MUST BE FILED BY 12 O'CLOCK TONIGHT

John Barclay, Federal Food Administrator for Westmoreland county on Saturday received a telegram from Howard Heinz. Food Administrator for Pennsylvania, requesting that all persons in the county, who have not already done so, to send their flour reports to the county administrator not later than Monday, March 18, 1918, at 12 o'clock p. m. As all orders, regulations, rulings, decisions, appeals and other communications intended to inform the public of actions taken by the United States Food Administration for Pennsylvania are to be issued through the medium of the newspapers, those persons living in districts, where only weekly publications of the press are made, are allowed forty-eight hours additional time in which to send in their reports.

The following telegram from Howard Heinz to Mr. Barcley was received Saturday: "On account of Sunday intervening, all flour reports received from Federal County Food Administrators up to close of business Monday evening will be accepted. Insert Flour Registrations coupon in newspapers today, Sunday and Monday. Where there is no newspaper publicity in sections of the county for the next three days, authority is given to extend limit forty eight hours after first publication."

Mr. Barclay requests that every person in the county, who has not already forwarded their reports to him, to do so at once to the Jamison Building, Greensburg, Pa. To date only 8803 flour reports have been received out of a possible 25,000.

## Should Register

Many a man loses his vote at the primary elections because he is not registered, and whose fault is it but his own? By hunting up the register assesor in your voting precinct he will tell you whether or not you are already on his list, if not, he will place you on it at once, or if you prefer you can attend at the voting precinct on March 19 or 20. These are called registration days and have been set aside for your benefit and convenience. Candidates are selected by the various parties at the primary elections and it is often more important to cast your vote at that time than it is at the regular elections held in November. The spring primaries are held this year on May 21 and you must be registered two months before that date to be entitled to enter the primaries.

Now you must not only register, but you must declare your party affiliations at the same time; how else will you be admitted to any of the primaries? Not only this, but if you are desirous of casting your vote for a candidate whom you fell certain will be selected and have a chance of election and be in a position to expert an influence for the ratification of the proposed amendment when the issue comes up in the Legislative halls, you must make sure that you affiliate your self with the party of your choice and enter the party primaries.

Unless you qualify you cannot vote. The right of franchise is something lying on the very foundation of democracy. In view of the tremendous responsibility resting upon the voter in this critical time, the voter who does not take the time to go to the polls to support a good moral issue—an issue underlying the war—must be classed as a "slacker."

## Baby Dead

Helen Mill, the five year and seven months old daughter of Mr. and Mrs. Amil Mill, of Arnold City, died Friday in the Monongahela hospital of cerebro spinal meningitis after a week's illness. The funeral services were held this morning at 9 o'clock from the Polish Catholic church. Interment in Grandview cemetery.

## Demonstration

The Heinz Co. demonstration at Jules Albert's grocery store near Ninth and Knox Saturday proved a great success, there being about 600 people waited on during the day, and a large portion of that number took lunch, being served by Mr. Knight, the gentlemanly Heinz representative of Charleroi, assisted by Miss Gustava Kruell of Monessen, which was very greatly appreciated and enjoyed. In the guessing contest as to how many beans were in a can of Heinz beans as shown in the window, the winners in the contst were: first prize, Eween Dyer, Mary Hill and John Baien.

## Safe in France

—A card was received here Saturday by Mrs. E. Govola of 205 McKee avenue, from her son Michael, stating that the ship on which he is serving had arrived safe in France. Mr. Govola who has been in the U. S. naval service for almost four years, is on one of Uncle Sam's transports and has made his fourth trip to France. The members of Michael's family and his many friends in Monessen are glad to know of his prosperity and that he is enjoying life on the high seas.

## Benefit Concert

Mr. George Wahlstrom, leader of the Louhi band, has tendered the services of his organization for a Red Cross benefit performance. The entertainment will be held in the Monessen High school auditorium on Wednesday evening, March 27th. The band has completed a series of concerts it was giving during the winter, and the high order of its work has attracted a great deal of favorable comment.

Mr. Wahlstrom has promised some extra features for the benefit performance, and music lovers throughout the valley are due for a special treat on this occasion.

The price of admission has been fixed at fifty cents. The affair will be advertised as a Red Cross performance, being given under the sanction of the organization, and the entire proceeds will be turned over to the treasurer of the Monessen-Belle Vernon Chapter.

WILL PRESENT PLAY

The Young Ladies' class of the United Brethren church will present a pleasing two-part sketch entitled "In These Days" on Thursday evening at 7:45 in the church auditorium. No admission, but a free will offering will be taken.

## OUT WITH THE HOE

How about the garden this spring? It is to be hoped that everyone who ran a garden last year will do it again. Some of those who had only partial success said last fall they would not. They looked at their poor yields of potatoes and beans, and could not see that they were paid for their labor and fertilizer and seed and other incidental bills.

Yet even these unsuccessful people raised some food. It helped keep down prices and assisted in feeding the soldiers. If they quit, the country will miss even the little they raised.

And for every failure there was some good reason. Furthermore, the cause of failure can be ascertained and avoided another time. Anyone who has tried it a year should have acquired experience enough so that with a little intelligent planning and good advice he can get a good result another time.

There are millions of back yard gardeners in this country who last year raised products worth $50 to $100 each in their own yards. The assistance they gave to our country in this war is incalculable. They should do 50 per cent. better than they did last year.

And there are a great many people who did not try it last summer who should make the effort this time. There are some who predicted an over supply of vegetables. But no such overstock has appeared. The drain for supplies to Europe is going to be more each year. The fields of Europe are suffering from lack of fertilizer and lack of man power. We must supply the difference. Every bushel of potatoes and beans provides for some hun-

strength.

A month of adverse weather conditions, severe droughts or too much moisture, could seriously deplete our regular farm crops. In that case we should face actual hunger. It is only wise and prudent foresight for every family to have a little independent stock of its own to fall back upon.

**Glass of Hot Water Before Breakfast a Splendid Habit**

Open sluices of the system each morning and wash away the poisonous, stagnant matter.

Those of us who are accustomed to feel dull and heavy when we arise; splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, lame back, can, instead, both look and feel as fresh as a daisy always by washing the poisons and toxins from the body with phosphated hot water each morning.

We should drink, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to flush from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary tract before putting more food into the stomach.

The action of limestone phosphate and hot water on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast and it is said to be but a little while until the roses begin to appear in the cheeks. A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to make anyone who is bothered with biliousness, constipation, stomach trouble or rheumatism a real enthusiast on the subject of internal sanitation. Try it and you are assured that you will look better and feel better in every way shortly.

## Methodism Shows Patriotism

Death for American propagandists and American traitors was advocated at a meeting Saturday by the Philadelphia conference, Methodist Episcopal church, in resolutions unanimously adopted at the one hundred and thirty-first annual meeting being held in Philadelphia.

"We urge the speedy enactment of a law," the resolution stated, "which will mete out to German propagandists and traitorous Americans the full penalty of spies."

Amid cheering and patriotic enthusiasm the 400 ministers attending the conference joined in approving the resolutions, which also affirmed loyalty to President Wilson and urged the immediate establishment of war prohibition, particularly the formation of a "dry" zone for the protection of soldiers and sailors.

## Hospital Name is Changed

The name of the German Hospital of Kansas City, Mo., has been changed to the Research Hospital, it was announced Saturday by the board of directors, 10 of whom were born in Germany and the remainder of German origin.

"We are all Americans," J. W. Wagner, president of the board, said. "Our sympathy is with America and we felt that we must change the institution's name to show the proper spirit. Our ancestors left Germany for the same reason our sympathy is now against Germany."

## Homeless Girls Welcomed

The members of the Congressional club, consisting of the wives of senators and representatives in Congress, realizing the loneliness of many young women coming to Washington for war service work, are desirous of getting into friendly touch with them. A representative has been appointed from each state delegation who will receive the names and addresses of girls coming from their respective states.

All information should be sent to the Congressional club, 2001 New Hampshire avenue, Washington, D.C.

## Soldiers Coming Home

Camp Lee, Va., March 15.—Every soldier in the Eightieth Division will be permitted to go home to spend several days before he leaves for France, according to Maj. Gen. Adelbert Cronkhite. The furlough is intended as a recognition of the enthusiasm with which the members of the division have given up their usual Wednesday half holidays and evenings that they might get every minute of drill that it is possible to give them in the time remaining before the soldiers leave for France. If Director General of Railroads McAdoo permits the Pittsburgh and Allegheny county soldiers to go home for the parade on April 6 they will be the first to leave. The others will leave after they have returned.

In commenting upon granting the men furloughs Gen. Cronkhite said.

"I wish every officer and enlisted man in the Eightieth Division to have an opportunity to run home for a farewell visit before we leave. We're going to be gone a long time, just as long as is necessary to do a good job. It's only right and a fair return for the long hours they are giving up to the intensive training in these finishing stages, that they should have a few days off to see the folks at home.

"Of course they cannot all go at once, especially during the last few days. That would be giving notice to all the world of the exact date of our departure. Regimental commanders will adjust the matter, however, so that the leaves and furloughs will be well distributed over the alloted time. The permits will be for five-day periods."

## German Society Quits.

Toledo, Ohio, March 17.—Indefinite suspension of the Toledo branch of the German-American Alliance was voted unanimously at a meeting of that branch here. "Public prejudice and constant agitation against activities of the national body," was given as the cause of suspension. The Toledo branch has a membership of 3,300.

Albany, N. Y., March 17.—A bill to revoke the charter of the New York state branch of the German-American Alliance will be introduced at the session tomorrow evening by Senator Theodore Douglas Robinson, nephew of Col. Roosevelt. The fostering of the German language and German literature, the promotion of friendly relations between the nations of the earth, and "especially as between American and German-speaking countries," are objects cited as contrary to public policy at the present time. The language was taken from the constitution of the German-American Alliance.

## Express Thief Arrested

The theft of $5,000 worth of goods from express company wagons thruout Pittsburg during the past several months has been solved, according to superintendent of Police Robert J. Alderdice, by the arrest yesterday of Isadore Tebles, proprietor of a clothing store at 2641 Penn avenue. He is being held at Central Police station, Pittsburg, under a technical charge of being a suspicious person, while Special Policeman Arthur Ehrenfeld is busy having goods, which were found in Tebles place of business, identified. Goods valued at $2,000, among them being a fur coat valued at $700, have been seized and are awaiting identification. Tebles will be arraigned for a hearing before Magistrate J. J. Sweeney at Central Police station today.

Representatives of the Wells-Fargo Express company, one of the companies that have suffered by the thefts, called at the police station yesterday and identified some of the goods found in Teble's possession as having been stolen from one of their wagons last month. The goods were assigned to the Bruno Woolen company, with offices in Pittsburg.

The systematic robbery of packages from express company wagons had baffled the police for several months until two weeks ago, when Mr. Alderdice received word from George Gilbert, chief of police of North Hampter, Mass., that goods were being sold in that city at about one-half their value. The goods were being shipped from this city. Officer Ehrenfeld was assigned to the case and ascertained, he claims that the goods were being shiped by Tebles. A search was then made of Tebles' place of business and the goods brought to Central Police Station.

According to Ehrenfeld, Tebles, who is the owner of an automobile, would drive his machine up alongside of an express wagon, while the driver was delivering packages, and would throw several packages from the wagon into his automobile and drive away. Several persons, the police claim, have been witnesses to the thefts and they will be brought to the police station in an attempt to identify Tebles.

Tebles refuses to tell the officers anything about the goods found in his store, except that he "bought them from a man on the street that he did not know."

## The Milanese HAT

has just arrived. This hat is made right in MILANO, ITALY, so this gives you sufficient understanding that it is an imported item.

Mr. Ansaldo, owner, personally states that he uses the highest grade of Felts and Colors in order to make it the Enemy of Water, or the Mistreater of an Article.

No matter how many different New Ways you see a Hat worn, the high grade quality of Felt that's in it, will give that pleasure to shape it according to ways worn, and back in its normal, without any effect on the Felt. You will see no wrinkles on it as long as you own it. The water can not run it out of shape. When you happen to be caught in the rain just dry it, imagine your hands are the Blocks; talk to it, and it will obey, because it understands.

## Many Attend Opening

Many Monessen folk attended the spring opening at the Safier store Thursday, Friday and Saturday of last week and all were free to say that Mr. Safier this year had the handsomest, best arranged and most valuable and varied stock he has displayed during his many years of business in Monessen.

Millinery, cloaks, suits and ladies' furnishings are shown in great variety, textures and colors and he takes great pride in showing his patrons the Wooltex goods, of which he is exclusive agent in Monessen, as well as the Gossard Corsets, which are made especially to please an exclusive clientage.

Mr. Safier's display windows were very attractive and drew many admirers. In fact the entire display was good and Mr. Safier is highly pleased at the large attendance and the deep interest shown.

—Stanislov Oleyas, the year old child of Mr. and Mrs. Joe Oleyas, died yesterday and the funeral was held at 9 o'clock this morning from the Polish Catholic church. Interment in Grandview cemetery.

## New Spring Goods

The N. W. Schlup company held its spring opening Friday and the "Authentic Showing of Spring Styles" attracted many interested people from Monessen and neighborhood, who were highly delighted at the most exquisite showing of spring lines of goods—just the things for ladies and children and all of the very best and highest quality and all of the latest makes. It was almost like taking a walk through fairy land to ramble and roam through the Schlup store during opening days.

Ladies' Suits, Waists, Skirts, Coats, Cloaks etc. and a full line of everything for children can be found in the Schlup store and anyone who attended the opening needs no telling about the beautiful creations, colors and designs—everything the best—bought from standard makers. The Schlup store is the home of nice wearing apparel for women and children.

## Lady Teacher Fired

Miss Mary Weisgerber of West Newton, teacher of room 6, in the Blythdale schools, Elizabeth township, has been dismissed by the school board because of proclivities entirely too much in sympathy with kaiserism and antagonistic to the spirit of Americanism.

Action was taken Friday, just before the close of school, when Director C. E. Fetkenour and Township Principal C. S. Montgomery visited the room, told the pupils there would be no school the next day and dismissed the teacher from further service.

This action of the board is due, it is said, to the attitude of Miss Weisgerber in defending everything German. Because of this, her relation with the other teachers was strained and her pupils soon became wise to the fact that her heart was not with the country that shields and protects her, and has given her the opportunities and advantages she enjoys.

It is said, among other things, Miss Weisgerber, when importuned to join the Red Cross, insulted those who solicited her. It is related she refused to teach patriotism to her pupils and only once, it is said, was a patriotic song sung in her room and that the occasion of the visit of a director.
